

I was elected to be a Parent Governor in December 2015. I have previously served as a Governor at Chadlington Junior School for 15 years. For the last eight years of that I was Vice Chair and Chair of the Finance & Resources Committee. I worked together with the Chair and the Head, taking the lead in framing the school's strategy. I also took the lead for the Governing Body on financial planning and reporting, HR issues and building and estates issues.
