

Year 12 summer work – German

Make sure you know at least 20 things about Germany – geography, history, government, key cities – design a quiz, in German, for the rest of the group. (We will exchange these in the first lesson back. Keep questions simple.)

Research a German band / film / actor and prepare a presentation on it in German for the first week back – bring resources such as a powerpoint/clips to show the class.

Write about your best and worst television programme, favourite music and films in German – 200 words minimum to hand in on first lesson back.

Revise vocabulary thoroughly from list given in induction lesson – perhaps you could learn 5 words a day.

Read three news articles on www.sowieso.de and summarise in English, noting down key new vocabulary which you will bring and share with the rest of the group in September. Try and get the gist without looking up every single word.

Watch five German adverts online and pick out ten key words. Write sentences in German describing your opinion of the different adverts.

Learn the grammar from sheets given in the induction lesson.

Complete the transition grammar exercise sheets given in the induction lesson
